

## Information Exchange and Non-Disclosure Agreement

Between Receiving Party

Fritsch GmbH • Milling and Sizing  
Industriestrasse 8 • 55743 Idar-Oberstein • Germany

and Disclosing Party

Company*:	<input type="text"/>	Department:	<input type="text"/>
Street*:	<input type="text"/>	City*:	<input type="text"/>
Postcode*:	<input type="text"/>	Country*:	<input type="text"/>
Email*:	<input type="text"/>	Phone*:	<input type="text"/>

As part of their business relationship both parties intend to exchange confidential information and agree upon the following:

1. "Confidential information" is all technical and commercial information that one partner communicates to the other partner in oral, visual or written form.
2. Both partners engage themselves to keep sensitive information confidential in terms of operational and business confidentiality. They will only utilize this information for the purpose of cooperation.
3. The obligation of confidentiality shall not apply developments that represent the state of the art and therefore not eligible for protection.
4. With this agreement, no obligation is connected to exchange information. Both partners agree that with transfer of information no transfer of ownership, license or other rights of use is linked. This agreement does not justify the claim for completion of cooperation, supply or other contracts. The assumption of guarantees or liability is not connected with this agreement.

Additional agreements, changes and additions must be in written form.
